Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant argued the virtual reality subsystem was not taught by Polanyi. The Examiner indicated the teachings of the specification suggest the system is text-based which is disclosed by Polanyi. Applicant agreed to review the specification and provide arguments to address the specific teachings of the virtual reality subsystem as a graphical three-dimensional representation or a text-based system in response to the Office Action. The Examiner agreed to fully consider all arguments of the response and respond accordingly..
